Dear Bill,

We propose to do the masonry work as per plans dated September 29, 2002, plan #12345, sheets A1 through A8, as designed by Fox & Fox, specifications and addenda #1 for the above referenced project:

For the sum of: \$52,000.00 (Fifty Two Thousand, and 00/100 Dollars).

The following qualifications are a part of this proposal:

1. There isn't any rebar, for masonry walls, figured in the price stated above. General Contractor supplies all rebar for the entire project. Mason will install.
2. There isn't any testing service, for masonry, figured in the price stated above. General Contractor provides all testing service for the entire project.
3. There isn't any steel lintels figured in the price stated above. General Contractor supplies all steel lintels for the entire project.
4. There isn't any sales tax figured in the price stated above.
5. General Contractor supplies water and 220 volt, 30 amp electricity for the entire project.
6. There isn't any demolition figured in the price stated above.
7. There isn't any dumpsters, for masonry rubbish, figured in the price stated above. General Contractor supplies all dumpsters for the entire project. Mason will fill General Contractor supplied dumpsters with masonry rubbish.

If you should have any questions, please feel free to contact me.

Sincerely yours,
